

REMARKS

Claim 1-70 are pending. Claims 50 and 51 are amended. Claims 1-49 and 52-70 remain unchanged.

THE AMENDMENT

Claim 50 has been amended to correct a typographical error.

Claim 51 has been amended to correct its dependency. Claim 51, which relates to a charge source, previously depended from Claim 49. However, Claim 49 does not provide the necessary antecedent basis for the *charge source* term. Claim 51 has been amended so as to depend from Claim 50, which does recite the necessary language to provide proper antecedent basis for Claim 51.

This amendment does not change the substance of the claims, and is made solely for purposes of clarification. No new matter has been added.

SUMMARY

The above amendments to the Claims are intended to correct informalities prior to issuance of the patent.

If in the opinion of the Examiner, a telephone conference would expedite issuance of the subject application, the Examiner is invited to call the undersigned at (650) 330-0900.

Respectfully submitted,
